But, kids can join in whenever a program is in session!

“ONCE YOU’VE WRESTLED, EVERY THING ELSE IN LIFE IS EASY.”

"LET’S WRESTLE!"
Why Wrestling?

The sport of wrestling is, at its core, a diverse and inclusive sport. Unlike many other sports, factors like height, weight, and gender have no impact on success. Wrestling is a sport that excludes no one and today, female participation in wrestling is skyrocketing at the junior, high school, and collegiate levels.
